Subject: Fiscal Year 2014 February Monthly Financial Report

Dear Ms. Parks and Ms. McGrath:

The following is a narrative summary of budget adjustments processed as of February 2014, as well as year-to-date expenditure data, annual projections, budget variances, and other key budget issues at this time. Also included are monthly expenditure reports for the Money Follows the Person (MFP) program and the Balancing Incentive Program (BIP), as required by the 2014-15 General Appropriations Act (Senate Bill 1, 83<sup>rd</sup> Legislature, Regular Session, 2013), Article II, Special Provisions Relating to all Health and Human Services Agencies, Sections 45 and 46 respectively. This letter also serves as certification that the information provided in the attached report is true and correct, based on available documentation.

#### Budget Adjustments

In total, the Department of Aging and Disability Services (DADS) fiscal year 2014 Operating Budget is \$6,650.7 million in All Funds (\$2,690.7 million in General Revenue/General Revenue Dedicated Funds). Appropriations for fiscal year 2014 total \$6,598.2 million in All Funds (\$2,668.6 million in General Revenue/General Revenue Dedicated Funds), as stated in the 2014-15 General Appropriations Act (Fiscal Size-Up). The fiscal year 2014 Fiscal Size-Up amounts reflect adjustments listed as items 1-4 below, as well as several smaller adjustments listed in Attachment A of the enclosed report.

For fiscal year 2014, the most significant budget adjustments affecting DADS operating budget are as follows:

1. Additional funding for nursing facility rate increases, pursuant to the 2014-15 General Appropriations Act (Article II, DADS, Rider 40). In addition to line-item amounts

- appropriated in Article II, DADS received \$25.1 million in General Revenue (GR) funds and \$35.7 million in matching Federal Funds for fiscal year 2014. This appropriation is intended to provide nursing facilities with a two percent rate increase in fiscal year 2014.
2. A carry forward of \$23.0 million in GR Funds from fiscal year 2013 to fiscal year 2014, pursuant to Section 46 of House Bill 1025, 83<sup>rd</sup> Legislature, Regular Session, 2013. These funds are designated for financing repairs at State Supported Living Centers (SSLC).
  3. A carry forward of \$8.8 million in General Obligation (GO) bond proceeds into the 2014-15 fiscal biennium to be used for funding repairs at SSLCs, pursuant to the 2014-15 General Appropriations Act (Article II, DADS, Rider 33).
  4. The appropriation of \$17.0 million in GO bond proceeds in the 2014-15 biennium to be used for funding repairs at SSLCs, pursuant to the 2014-15 General Appropriations Act (Article IX, Section 17.02).
  5. The transfer of 92 STAR+PLUS support full-time equivalents along with \$3.1 million in All Funds (\$1.5 million in GR Funds) to the Health and Human Services Commission (HHSC) as approved by the Legislative Budget Board and the Governor's Office, effective October 1, 2013.
  6. Enactment of the federal 2014 omnibus appropriations spending package on January 17, 2014, is estimated to result in static (or slightly increased) federal funding for discretionary programs such as those distributed through the Administration on Aging, and an approximate 2.2 percent reduction in Title XX Block Grant funds. No sequestration-related reductions are assumed in the fiscal year 2014 Operating Budget, except those implemented in fiscal year 2013.

### Budget Variances

As of February 28, 2014, DADS is estimating a fiscal year 2014 surplus of \$171.2 million in All Funds (\$70.9 million in GR Funds). For this month's report, the estimates are based upon October 2013 caseload and cost projections, plus estimated outstanding payables and encumbrances. DADS is hoping to incorporate updated caseloads into its March report.

- **Strategy A.2.1, Primary Home Care** - This strategy is projected to have a positive variance of \$9.4 million in All Funds, which includes \$3.7 million in GR Funds. The surplus is primarily the result of updated October 2013 caseload projections.
- **Strategy A.2.2, Community Attendant Services** - This strategy is projected to have a negative variance of \$0.8 million in All Funds, which includes \$0.2 million in GR Funds. The shortfall is primarily the result of updated October 2013 caseload projections.
- **Strategy A.3.1, Community Based Alternatives** - This strategy is projected to have a positive variance of \$1.9 million in All Funds, which includes \$0.8 million in GR Funds.
- **Strategy A.3.4, Deaf-Blind Multiple Disabilities** – This strategy is projected to have a negative variance of \$0.2 million in All Funds, which includes \$0.1 million in GR Funds. The negative variance is the result of updated October 2013 cost projections.

- **Strategy A.3.6, Texas Home Living Waiver** - This strategy is projected to have a positive variance of \$1.8 million in All Funds, which includes \$0.7 million in GR Funds. A recent rate realignment for this program has contributed to the surplus of funds.
- **Strategy A.5.1, Program of All-Inclusive Care for the Elderly** - This strategy is projected to have a negative variance of \$1.7 million in All Funds, which includes \$0.5 million in GR Funds. This variance is the result of updated October 2013 caseload projections.
- **Strategy A.6.1, Nursing Facility Payments** - This strategy is projected to have a positive variance of \$118.9 million in All Funds, which includes \$47.8 million in GR Funds. This surplus is largely the result of updated October 2013 caseload projections.
- **Strategy A.6.2, Medicare Skilled Nursing Facility** - This strategy is projected to have a positive variance of \$19.9 million in All Funds, which includes \$8.1 million in GR Funds. This surplus is the result of updated October 2013 caseload projections.
- **Strategy A.6.3, Hospice** – This strategy is projected to have a negative variance of \$3.4 million in All Funds, which includes \$1.5 million in GR Funds. This variance is the result of updated October 2013 caseload projections.
- **Strategy A.6.4, Promoting Independence Services** – This strategy is projected to have a positive variance of \$4.9 million in All Funds, which includes \$3.7 million in GR Funds. The bulk of the surplus is the result of updated October 2013 caseload projections.
- **Strategy A.7.1, Intermediate Care Facilities – Intellectual Disability** - This strategy is projected to have a positive variance of \$19.7 million in All Funds, which includes \$8.0 million in GR Funds. This surplus is the result of updated October 2013 caseload projections.

#### Pending Agency Requests for Expenditure Authority

A request has been submitted by HHSC to transfer up to \$758,472 in All Funds (\$297,776 in GR Funds) in fiscal year 2014 and \$3.7 million in All Funds (\$1.5 million in GR Funds) for fiscal year 2015 to DADS for the provision of Program of All-Inclusive Care for the Elderly (PACE) services to individuals at or below the SSI income level. This letter was dated December 17, 2013.

Additionally, in a letter dated March 11, 2014, DADS requests transfer authority relating to the closing of the Cullen Residence Hall Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID). This closure is expected to result in the relocation of 72 individuals from an ICF/IID environment to the Home and Community-based Services (HCS) program. To fund the re-financing of these individuals, DADS requests approval to transfer \$2.9 million in All Funds (\$0.6 million in GR Funds), in fiscal year 2014, from Strategy A.7.1, Intermediate Care Facilities – IID, to Strategy A.3.2, Home and Community-based Services (HCS). Individuals moving from the ICF/IID setting to HCS are eligible for the enhanced MFP federal matching rate for their first year of care.

Ms. Ursula Parks and Ms. Kate McGrath  
March 28, 2014
