Subject: Fiscal Year 2014 May Monthly Financial Report

Dear Ms. Parks and Ms. McGrath:

The following is a narrative summary of budget adjustments processed as of May 2014, as well as year-to-date expenditure data, annual projections, budget variances, and other key budget issues at this time. Also included are monthly expenditure reports for the Money Follows the Person (MFP) program and the Balancing Incentive Program (BIP), as required by the 2014-15 General Appropriations Act (Senate Bill 1, 83rd Legislature, Regular Session, 2013), Article II, Special Provisions Relating to all Health and Human Services Agencies, Sections 45 and 46 respectively. This letter also serves as certification that the information provided in the attached report is true and correct, based on available documentation.

Budget Adjustments

In total, the Department of Aging and Disability Services (DADS) fiscal year 2014 Operating Budget is \$6,649.5 million in All Funds (\$2,690.6 million in General Revenue/General Revenue Dedicated Funds). Appropriations for fiscal year 2014 total \$6,598.2 million in All Funds (\$2,668.6 million in General Revenue/General Revenue Dedicated Funds), as stated in the 2014-15 General Appropriations Act (Fiscal Size-Up). The fiscal year 2014 Fiscal Size-Up amounts reflect adjustments listed as items 1-4 below, as well as several smaller adjustments listed in Attachment A of the enclosed report.

For fiscal year 2014, the most significant budget adjustments affecting DADS operating budget are as follows:

1. Additional funding for nursing facility rate increases, pursuant to the 2014-15 General Appropriations Act (Article II, DADS, Rider 40). In addition to line-item amounts

appropriated in Article II, DADS received \$25.1 million in General Revenue (GR) funds and \$35.7 million in matching Federal Funds for fiscal year 2014. This appropriation is intended to provide nursing facilities with a two percent rate increase in fiscal year 2014.

2. A carry forward of \$23.0 million in GR Funds from fiscal year 2013 to fiscal year 2014, pursuant to Section 46 of House Bill 1025, 83rd Legislature, Regular Session, 2013. These funds are designated for financing repairs at State Supported Living Centers (SSLC).
3. A carry forward of \$8.8 million in General Obligation (GO) bond proceeds into the 2014-15 fiscal biennium to be used for funding repairs at SSLCs, pursuant to the 2014-15 General Appropriations Act (Article II, DADS, Rider 33).
4. The appropriation of \$17.0 million in GO bond proceeds in the 2014-15 biennium to be used for funding repairs at SSLCs, pursuant to the 2014-15 General Appropriations Act (Article IX, Section 17.02).
5. The transfer of 92 STAR+PLUS support full-time equivalents along with \$3.1 million in All Funds (\$1.5 million in GR Funds) to the Health and Human Services Commission as approved by the Legislative Budget Board and the Governor's Office, effective October 1, 2013.
6. Enactment of the federal 2014 omnibus appropriations spending package on January 17, 2014, is estimated to result in static (or slightly increased) federal funding for discretionary programs such as those distributed through the Administration on Aging, and an approximate 2.2 percent reduction in Title XX Block Grant funds. No sequestration-related reductions are assumed in the fiscal year 2014 Operating Budget, except those implemented in fiscal year 2013.

Budget Variances

As of May 31, 2014, DADS is estimating a fiscal year 2014 surplus of \$191.1 million in All Funds (\$78.8 million in GR Funds). For this month's report, the estimates are based upon March 2014 caseload and cost projections, plus estimated outstanding payables and encumbrances.

- **Strategy A.2.1, Primary Home Care** - This strategy is projected to have a positive variance of \$7.4 million in All Funds, which includes \$2.9 million in GR Funds. The surplus is primarily the result of updated March 2014 caseload projections.
- **Strategy A.2.2, Community Attendant Services** - This strategy is projected to have a negative variance of \$2.8 million in All Funds, which includes \$1.0 million in GR Funds. The shortfall is primarily the result of updated March 2014 caseload projections.
- **Strategy A.3.1, Community Based Alternatives** - This strategy is projected to have a positive variance of \$1.2 million in All Funds, which includes \$0.5 million in GR Funds.
- **Strategy A.3.2, Home and Community Based Services** – This strategy is projected to have a positive variance of \$22.6 million in All Funds, which includes \$9.0 million in GR Funds. The surplus is primarily the result of updated March 2014 caseload projections.

- **Strategy A.3.5, Medically Dependent Children Program** – This strategy is projected to have a positive variance of \$2.1 million in All Funds, which includes \$0.8 million in GR Funds.
- **Strategy A.3.6, Texas Home Living Waiver** - This strategy is projected to have a positive variance of \$8.7 million in All Funds, which includes \$3.4 million in GR Funds. A recent rate realignment for this program has contributed to the surplus of funds.
- **Strategy A.5.1, Program of All-Inclusive Care for the Elderly** - This strategy is projected to have a negative variance of \$0.4 million in All Funds, which includes a positive variance of \$0.05 million in GR Funds. This variance is the result of updated March 2014 caseload projections.
- **Strategy A.6.1, Nursing Facility Payments** - This strategy is projected to have a positive variance of \$110.2 million in All Funds, which includes \$44.3 million in GR Funds. This surplus is largely the result of updated March 2014 caseload projections.
- **Strategy A.6.2, Medicare Skilled Nursing Facility** - This strategy is projected to have a positive variance of \$22.9 million in All Funds, which includes \$9.4 million in GR Funds. This surplus is the result of updated March 2014 caseload projections.
- **Strategy A.6.3, Hospice** – This strategy is projected to have a negative variance of \$0.5 million in All Funds, which includes \$0.3 million in GR Funds. This variance is the result of updated March 2014 cost projections.
- **Strategy A.6.4, Promoting Independence (PI) Services** – This strategy is projected to have a positive variance of \$6.2 million in All Funds, which includes \$4.2 million in GR Funds. The bulk of the surplus is the result of updated March 2014 caseload projections.
- **Strategy A.7.1, Intermediate Care Facilities – Intellectual Disability (ICF/IID)** - This strategy is projected to have a positive variance of \$12.0 million in All Funds, which includes \$5.0 million in GR Funds. This surplus is the result of updated March 2014 caseload projections and the closure of a sizable ICF/IID facility.

Pending Agency Requests for Expenditure Authority

In a letter dated July 8, 2014, DADS requested authority under DADS Rider 9(a)(2) to move money from Strategy A.2.4, Habilitation Services, to a variety of Medicaid waiver strategies facing possible shortfalls due to the delayed implementation of the Community First Choice (CFC) program. DADS appropriations in fiscal year 2015 assume implementation of the CFC program beginning September 1, 2014. The revised implementation date is March 2015. Additionally, DADS seeks permission under agency Rider 9(a)(1) to transfer funds between Medicaid waiver programs in order to account for a method of finance technical correction involving CFC and PI assumptions.

Ms. Ursula Parks and Ms. Kate McGrath
July 9, 2014
Page 4

Please let me know if you have any questions or need additional information. David Cook, DADS Budget Director, will serve as the lead staff on this matter and can be reached by phone at (512) 438-3177 or by email at David.Cook@dads.state.tx.us.

Sincerely,

James Jenkins
Chief Financial Officer
