Austin, Texas 78701

Subject: Fiscal Year 2015 April Monthly Financial Report

Dear Ms. Parks and Ms. Belew:

The following is a narrative summary of budget adjustments processed as of April 2015, as well as year-to-date expenditure data, annual projections, budget variances, and other key budget issues at this time. Also included are monthly expenditure reports for the Money Follows the Person (MFP) program and the Balancing Incentive Program (BIP), as required by the 2014-15 General Appropriations Act (GAA) (Senate Bill 1, 83rd Legislature, Regular Session, 2013), Article II, Special Provisions Relating to all Health and Human Services Agencies, Sections 45 and 46 respectively. This letter also serves as certification that the information provided in the attached reports is true and correct, based on available documentation.

Budget Adjustments

In total, the Department of Aging and Disability Services (DADS) fiscal year 2015 Operating Budget is \$5,370.4 million in All Funds (\$2,187.9 million in General Revenue/General Revenue Dedicated Funds). Appropriations for fiscal year 2015 total \$7,264.2 million in All Funds (\$2,936.7 million in General Revenue/General Revenue Dedicated Funds), as stated in the 2014-15 GAA (Fiscal Size-Up). The 2014-15 GAA Fiscal Size-Up reflects budget adjustments related to contingency legislation and carry-forwards authorized by the legislature.

For fiscal year 2015, the most significant budget adjustments affecting DADS operating budget are as follows:

1. An anticipated fiscal year 2015 lapse of \$65.1 million in General Revenue (GR) Funds. This lapse is expected to be transferred to the Health and Human Services Commission (HHSC) to address their fiscal year 2015 shortfall.

2. The transfer of \$2.0 million in GR Funds, along with a reduction of 100 Full-Time Equivalents (FTEs), in fiscal year 2015 to HHSC in response to the continued growth of the STAR+PLUS program statewide.
3. The transfer of \$0.5 million in GR Funds, along with a transfer of 27 STAR+PLUS support workers, to HHSC in fiscal year 2015 to align with rising STAR+PLUS requirements at HHSC.
4. The transfer of 92 STAR+PLUS support FTEs, along with \$1.7 million in GR Funds, to HHSC. This action was approved by the Legislative Budget Board (LBB) and the Governor's office in fiscal year 2014.
5. The transfer of \$108.0 million in GR Funds to HHSC as part of STAR+PLUS expansion in fiscal year 2015.
6. The transfer of \$98.8 million in GR Funds to HHSC related to the movement of Habilitation Services, Strategy A.2.4, to that agency in fiscal year 2015. This transfer was made pursuant to the provisions of House Bill 2, 84th Legislature, Regular Session, 2015.
7. The transfer of \$508.6 million in GR Funds to HHSC to allow for the movement of nursing facility and Medicare Skilled Nursing Facility services to HHSC in fiscal year 2015. A portion of this funding may need to be returned to DADS in fiscal year 2015 to address likely shortfalls in Medicaid entitlement programs.

Budget Variances

As of April 30, 2015, DADS is estimating a fiscal year 2015 shortfall of \$17.0 million in All Funds (\$12.7 million in GR Funds).

This amount includes the assumed \$65 million in GR Funds noted above to be transferred to HHSC in 2015 for its Medicaid shortfall. It does **not** include the additional \$31.2 million to be transferred to HHSC in fiscal year 2015 pursuant to HB 2, 84th Legislature, Regular Session, 2015, for further acute Medicaid shortfall needs.

For this month's report, the estimates are based upon April 2015 caseload and cost projections, plus estimated outstanding payables and encumbrances. The April 2015 caseload forecasts assume that significantly more individuals in nursing facilities will be paid at DADS under a fee-for-service arrangement rather than paid through HHSC managed care, compared to previous projections.

- **Strategy A.2.1, Primary Home Care** – This strategy is projected to have a negative variance of \$0.7 million in All Funds, which includes a positive variance of \$0.03 million in GR Funds.
- **Strategy A.2.2, Community Attendant Services** – This strategy is projected to have a negative variance of \$16.5 million in All Funds, which includes \$6.6 million in GR Funds.
- **Strategy A.2.3, Day Activity and Health Services** - This strategy is projected to have a negative variance of \$0.8 million in All Funds, which includes \$0.2 million in GR Funds.

- **Strategy A.3.2, Home and Community Based Services** – This strategy is projected to have a positive variance of \$25.7 million in All Funds, which includes \$9.3 million in GR Funds.
- **Strategy A.3.3, Community Living Assistance and Support Services** – This strategy is projected to have a negative variance of \$0.3 million in All Funds, which includes \$1.6 million in GR Funds.
- **Strategy A.3.4, Deaf-Blind Multiple Disabilities** – This strategy is projected to have a positive variance of \$1.2 million in All Funds, which includes \$0.4 million in GR Funds.
- **Strategy A.3.5, Medically Dependent Children Program** – This strategy is projected to have a positive variance of \$4.5 million in All Funds, which includes \$0.8 million in GR Funds.
- **Strategy A.3.6, Texas Home Living Waiver** - This strategy is projected to have a positive variance of \$19.2 million in All Funds, which includes \$7.4 million in GR Funds.
- **Strategy A.5.1, Program of All-Inclusive Care for the Elderly** - This strategy is projected to have a negative variance of \$3.2 million in All Funds, which includes \$1.3 million in GR Funds.
- **Strategy A.6.1, Nursing Facility Payments** - This strategy is projected to have a negative variance of \$55.9 million in All Funds, which includes \$23.4 million in GR Funds.
- **Strategy A.6.2, Medicare Skilled Nursing Facility** - This strategy is projected to have a negative variance of \$6.4 million in All Funds, which includes \$2.7 million in GR Funds.
- **Strategy A.6.3, Hospice** – This strategy is projected to have a positive variance of \$3.2 million in All Funds, which includes \$1.3 million in GR Funds.
- **Strategy A.6.4, Promoting Independence (PI) Services** – This strategy is projected to have a positive variance of \$10.1 million in All Funds, which includes \$2.5 million in GR Funds.
- **Strategy A.7.1, Intermediate Care Facilities – Intellectual Disability (ICF/IID)** - This strategy is projected to have a negative variance of \$2.9 million in All Funds, which includes \$1.2 million in GR Funds.

Pending Agency Requests for Expenditure Authority
--

DADS currently has no requests for additional budget authority pending approval by the LBB or Governor's office.

Ms. Ursula Parks and Ms. Kara Belew
